

SUMMER 2025

CAREERS NEWSLETTER

Hello and welcome to the Summer edition of our careers newsletter to keep our pupils and their families/carers up to date with all the latest information about Careers and Post-16 options.

Pupils at Greenwood School are provided with a range of opportunities to access up-to-date careers information and education through offsite visits, workshops and visitors to the school. Each pupil will have the opportunity to attend a 1:1 session with our qualified Careers Advisor, Jo Humphrey.

If you would like any information or support with your child's Post-16 choices, please call me at school or email:

Have a lovely summer.

Best wishes,

I will be meeting with all of our year 11's at the beginning of next term to start discussions about their next steps and looking at the available options.

ASK Apprenticeships came into school on 10th July to talk to our year 9 and 10 pupils about the benefits of Apprenticeships. Earning while you learn at the same time, gaining a nationally recognised qualification. They are open to anyone over the age of 16.

Did you know that within **15 miles** of Greenwood School there are currently **130 apprenticeships** being advertised?

Check the Gov.UK webpages for more information.
