

# CAREERS NEWSLETTER

## Winter 2024

Hello and welcome to the Christmas edition of our careers newsletter to keep our pupils and their families/carers up to date with all the latest information about Careers and Post-16 options.

Pupils at Greenwood School are provided with a range of opportunities to access up-to-date careers information and education through offsite visits, workshops and visitors to the school. Each pupil will have the opportunity to attend a 1:1 session with our qualified Careers Advisor, Vicky Hall.

If you would like any information or support with your child's Post-16 choices, please call me at school or email:

Wishing you all a Merry Christmas

Careers Co-ordinator

### Reminder

The majority of Year 11 pupils have now completed their college applications. It would be great if everyone could get their applications in before the Christmas holidays to give the best chance of obtaining a place on their chosen course.
